

# KIDEST TEKLE

## Financial Analyst

### ABOUT ME

I'm Kidest Tekle, an Accounting diploma graduate from Admas University. My academic journey honed my skills in financial analysis, budgeting, and reporting. With a strong foundation in accounting principles, I possess the necessary expertise to analyze complex financial data and trends. Eager to transition into a Financial Analyst role, I am committed to contributing effectively to strategic decision-making. My attention to detail and enthusiasm make me well-prepared to thrive in a dynamic financial environment.

### EDUCATION

- **Admas University 2023-2025**

Throughout my studies at Admas University, I actively pursued diverse courses, enhancing my skills in data analysis, business communication, and strategic planning. This expanded knowledge beyond my core curriculum bolsters my adaptability and professional versatility.
